

Professional Certificate in
**DIPLOMA IN QUANTITY
SURVEYING PRACTICE**

GULF ORIENTED

Global
Institute of
Quantity Surveying

www.thgiqs.com

COURSE OVERVIEW

The Diploma in Quantity Surveying Practice is a comprehensive program designed to equip aspiring professionals with the essential skills, knowledge, and practical experience needed for a successful career in quantity surveying. This diploma program covers a wide spectrum of topics, ranging from fundamental quantity surveying principles to advanced techniques, preparing students for the dynamic and challenging field of construction cost management.

Upon successful completion of the Diploma in Quantity Surveying Practice, graduates will be well-positioned for roles such as:

Junior Quantity Surveyor
Estimator
Junior Cost Consultant
Project Coordinator

This diploma program is designed to provide a solid foundation for further academic pursuits and professional growth within the field of quantity surveying. Participants will emerge with a comprehensive skill set, ready to contribute effectively to the cost management and success of construction projects.
